---

Hey Gary,  
We'll move the field supplies to Assessment on the next 55. We were still doing hazcatting.  
And, we'll remap Cobb to Scientist 2 and adjust it on the next one.  
Does that work?  
Thanks,  
Daniel

**Daniel:**

**I have the Removal 1900-55 signed but I noticed the following on the Assessment 1900-55:**

**1. The following show up on both the Removal and Assessment 1900-55's:**

Field Supplies - Ayres 01/20/15 Pending Materials/S HEB 651986 1 each \$14.66 \$1.58 \$16.24 Y 292

Field Supplies - Ayres 01/20/15 Pending Materials/S A-1 Dollar Stor 651986 1 each \$14.16 \$1.53 \$15.69 Y 291

**2. I thought that Derrick was going to complete the Assessment Report at a Scientist 2 Rate?**

**Let me know on these and I will get them processed.**

Thanks,

**Gary Moore**
